

Twinkl Phonics and Rhino Readers

Teaching and Learning Programme Overview

The Twinkl Phonics SSP programme is aligned with the Rhino Readers scheme to provide a selection of books that perfectly complement your phonics teaching.

This resource shows which sounds and tricky/common exception words are taught in each level of Twinkl Phonics and how they match the Rhino Readers levels. Children should be able to recognise these sounds and read the tricky/common exception words before they are given a book from that level.

1 Teach the new sounds using the lesson presentations.

2 Practise the sounds and tricky/common exception words using the minibooks and workbooks.

3 Use the Rhino Readers books to practise applying decoding skills independently.
